

THE ELONGATED SHADOW OF THE FOX

Once there was a fox who was roaming on the hill. Behind the hill was a red sun

The fox glanced at the sun

It is evening. I must
return home now,
mother must be
waiting

He began to glide down the hill

The sun rays were behind the fox. So, his shadow was falling very long

The fox saw his own shadow

Oh! My god this is my shadow, so long
and huge, that means i am the greatest of
all in the entire forest! I am the longest!
I am the most powerful!

Repeatedly the fox began to view his own shadow

The forest king, the lion also will
appear like a kid.. a kid before me!

A kid-like lion, to be the forest king. Is it good thing? Now i will fight a war against lion. I will defeat him in a second and i will be the king. Its good that i saw my own shadow. Otherwise i wouldn't have known my own strenght

Suddenly a lion appeared. The lion's belly was full so he did not want to kill the fox

The fox brodening his chest said...

Hearing the words of the fox the lion smiled from within and walked away quietly

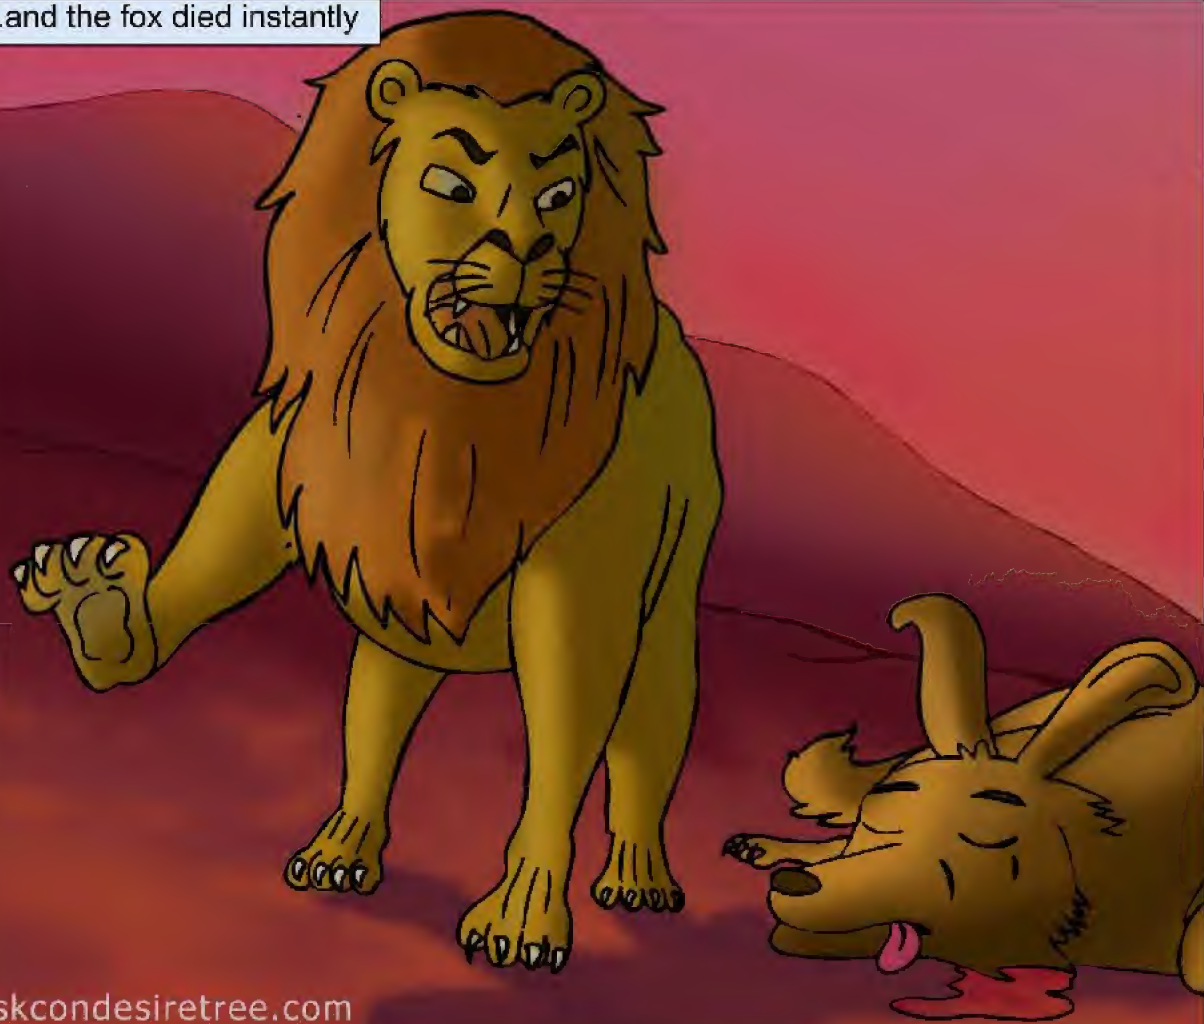

The fox ran to kill the lion but lion instantly striked him with his claws....

...and the fox died instantly

At home the mother kept waiting for the fox
